on all motors and electrical components

10 YEARS
WARRANTY
on frames

MATERIALS AND MECHANISMS

All of our sofas are constructed to the highest standards using only the finest materials from recognised and trusted quality suppliers.

LUMBAR SUPPORT
One touch will achieve optimal back posture support with a fully-adjustable lumbar control.

COMFORT PLUS HEADREST
With one finger, our unique Comfort Plus headrest can be positioned to precisely the right angle to ensure optimal head and neck support. Sit back and relax.

LEATHER
Only the highest quality, top grain American cowhide is selected for the seats, arms and backs of our sofas.

LAYFLAT RECLINING MECHANISM
Recliners incorporate Leggett & Platt's 'LayFlat' recliner mechanism, the market's most horizontal layout in full recline. Rigorously tested for 25,000 cycles at 160kg (25st), you are assured that it is built to last.

POWER
We use only the finest motors and control panels by German manufacturer OKIN, promising years of effortless and trouble-free reclining. We offer a five-year warranty on all motors and electrical components.

SEAT CUSHIONS
- Dacron, remains springy even when worn. A thin layer of bonded hollow-fill fibre.
- Breathable, hypo-allergenic memory foam at 45kg/m³.
- Two layers of highly resilient, medium and high-density foams.
- Non-sag individual pocket-coil springs encased in high-density foam.
- Serpentine sprung base frame.

SOLID WOOD FRAME
Frames are made of solid wood to ensure strength, stability and durability. For additional security and to prevent movement, arms are reinforced with a solid 'L' brace. We offer a ten-year warranty, as standard.

PACKAGING
Securely wrapped in a durable, cushioned blanket, absorbent corner protectors and polythene all within a strong, recyclable 5-ply cardboard box.
